

**Kailapa Community Association  
ED report 3/2018**

**Pavilion**

- GBI /GP signed contract for paving submitted via email to Guy DiBartolo 2/13/18, PC 2/20-LVM, 2/26 PC to Guy-waiting for engineers to determine what needed for the base of light poles. Once that done ( poss. 2-4 wks) they will be ready to move
- Office painted & flooring installed
- 2/26/contacted Pat Hurney-Habitat for more paint, 20 gal clear paint delivered to pavilion. ED took to Kona for tinting
- 1 BR painted
- Electrical installer questioned about needing 2 grounding rods as discussed at last mtg. Per Eddie-there are many ways to ground the building that meet the building codes and putting in 2 rods into the ground is one way. The way he did it is also acceptable.
- Electrician completed all electrical work and installed fixtures, 1 fixture broken, need replacement. Home Depot no longer carries the lights

**Playground shade**

- 2/15 Email sent to Mark Coronese of Skyshades Hawaii asking for final quote. There was no response from email request sent 12/7/17 & 2/6/18. PC 2/20 LVM
- 2/26 PC to Richard "Turf" -LVM. 2/27 LVM again. 3/1 PC form Richard-will stop by PG and see what he =can do to repair/ fix problem

**II-Resource center/Disaster shelter**

- 2/15 Contacted Nanea Studios Architecture to provide quote, need to set up mtg
- Reached out to Civil Defense to begin planning of building
- 2/26 Mtg /w Sen Inouye-Waimea
- SW Reps to req, support for funding, will go to Oahu to meet with decision makers
- Oahu 2/7-8

**Ungulate proof fence Project by KC**

- Fencing\_Projects still on hold, waiting for SHPD approval

**Firewise program**

- KCA needs to plan for Firewise activities or events for 2018-can be addressed at Jan 2018 community meeting.

**Charity Walk**

- Rec'vd invitation to attend breakfast meeting 3/5 to begin planning and possible participation in the Charity walk fundraiser

**Na Kilo 'Aina program**

- OHA Ahahui grant application opens 3/5
- KS grant application for year round support for this program pending award

**Resilient Hawaiian communities Initiative**

- Drafted scope of work
- Working on work plan
- 'Mtg 2/8- Oahu

**Kai Kuleana Network**

- Mtg 2/21-ED attended-network to support KCA GIA request-approved
- Conservation conference coming up this summer

### **GIA 2018-19 application**

- ED to go to Oahu 3/7-8 and meet w/key legislators to share the vision, and what the money from GIA would be used for, stressing importance to this community and community at large.
- Needed 30 + Letters of support from community residents and partners. PGA assisted in writing LOS drafts. 2/27 request for support sent out to all partners, supporters, etc. Req. Board help with getting resident support by signing petition
  
- Patti Cook invited ED to talk story with Sen. Inouye on 2/26 to request support for funding. Attended mtg, able to sit w/Sen Inouye so share project. Funding short this yr due to Gov. 50M \$ emergency request

### **FireAnt alert**

- Ants being found all over island, action needed now
- How will KCA support education, prevention & treatment for neighborhood?

### **Grants applications status**

- DHHL regional priority plan-pending award
